**2) Approval of the Agenda**

Agenda approved.

**3) Approval of the Minutes**

Minutes of February 10th, 2011 meeting approved.

**4) Old Business**

**a) Web Site**

Ongoing updates.

**b) NPDES (National Pollutant Discharge Elimination System Program)**

Pesticide General Permit new requirements delayed until October 2011.

**c) Hiring of Mosquito Technician part-time positions**

Seasonal jobs have been filled for now.

**d) Evaluation of new GIS system**

Evaluation of GeoPro GIS system by ADAPCO and Sentinel GIS additional modules in progress.

**e) Mosquito Season has officially started**

*Aedes sollicitans* confirmed in Mullet Lake Park/Geneva areas, normally a salt marsh species.

## **5) New Business**

### **a) Sentinel Chickens & Surveillance Traps**

All chickens have been placed in their locations within Longwood, Sanford, Geneva and Oviedo. Weekly surveillance beginning this month using 10 CO<sub>2</sub> traps across the county.

### **b) Seminole County Website**

Website [www.seminolecountyfl.gov](http://www.seminolecountyfl.gov) has been updated with new look and attributes. Advisory Committee minutes and agendas posted online. All material MSDS sheets also posted.

### **c) Droplet Testing**

Seminole County annual droplet testing completed. Please make arrangements with your own vendor for equipment in your possession.

### **d) Resident Contact Information for Mosquito Control Services**

Please refer all calls for service to 407-665-5542 or to the email address of [mosquito@seminolecountyfl.gov](mailto:mosquito@seminolecountyfl.gov)

## **6) Discussion**

### **a) Seminole County Website**

Advisory Board members would like to have access established again to view current work orders in their cities. Seminole County website only lists streets where fogging is scheduled.

**The meeting was adjourned at 10:45 am. Next Regular Meeting: May 12th, 2011 at 10:00 A.M.**
